# S.S. S. RIDS THE SYSTEM

Catarrh usually begins with irritated, inflamed membranes of the head, nose and throat, from which there is a constant and copious discharge of watery matter. Nature intends that these membranes shall be nourished by the blood, but waste matters and impurities deposited into these delicate parts, sets up inflammation and the discharge is a natural result. There is only one way to cure Catarrh, and that is to remove the cause by purifying the blood. Washes, sprays, inhalations, etc., do not reach the circulation, and therefore can only afford temporary relief. S.S.S. cures Catarrh by cleansing the blood of all impure catarrhal matter, and at the same time building up the system by its unequalled tonic effects. In other words S. S. S. cures Catarrh by purifying the blood so that the mucous surfaces and linings of the body are supplied with healthy nourishment instead of being continually irritated from the catarrhal impurities. Then the inflamed membranes heal, the discharge is checked, head noises cease, the stomach is toned up, and the throat is no longer clogged with mucus. Book on Catarri and any medical advice desired, free. S. S. S. is for sale at drug stores.
